

The Mathildedal Mill Village next to Teijo National Park has a convivial village atmosphere: red clay houses, textile mill buildings, history, wonderful nature, shops, unique taste experiences and artisan products that cannot be found elsewhere.

The village is located by the clear-watered Lake Matildanjärvi and the sea. The lively village hosts concerts, gigs, art exhibitions, theatre, events and many kinds of festivities throughout the year.

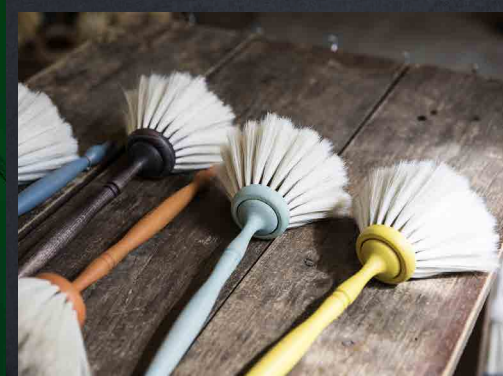

The seaside village of Mathildedal is easily accessible by car, bicycle or boat. You can overnight in the village in a bed & breakfast, cottage or hotel-level accommodation according to your choice.

The friendly village also attracts many kinds of active vacationers. In the area, you can engage in sports such as hiking, adventure golf, padel, tennis, golf, skiing and both downhill and mountain biking.

*Welcome to our village to enjoy yourself  
- all year round!*
